HERD BULL STRENGTH

DIVIDE SENSATION

Divide Sensation is well known to all Shorthorn adherents, not only for being twice declared International Grand Champion bull, but also for his ability as a sire of outstanding cattle that conform to the most modern and exacting requirements of present day breeders. He is a son of the noted Browndale Archer by Browndale Count and out of Nonpariel Maid 9th by Scottish Gloster. He is still in active service in the Oakdale herd. His sons and grandsons will feature this sale, to say nothing about the beautiful heifers that represent the same crosses. Do not miss this opportunity to secure this improving blood.

OAKDALE'S SENSATION

Oakdale's Sensation is the most valuable breeding son of Divide Sensation. His get are invariably of the same close-coupled, thick meated, smooth ended pattern that has characterized cattle carrying this cross of breeding. The string of bulls and heifers sired by this bull will further enhance an already envious reputation as an outstanding sire.

Sale Information

Sale will start promptly at 1:00 P. M.

LOCATION—The sale will be held in the pavilion owned by the Abingdon Sales Company, Inc., in Abingdon, Ill., on Saturday, November 23, 1940. Abingdon is located just 12 miles South of Galesburg and may be reached on pavement from every direction.

AUCTIONEERS—A. W. Thompson and J. E. Halsey.

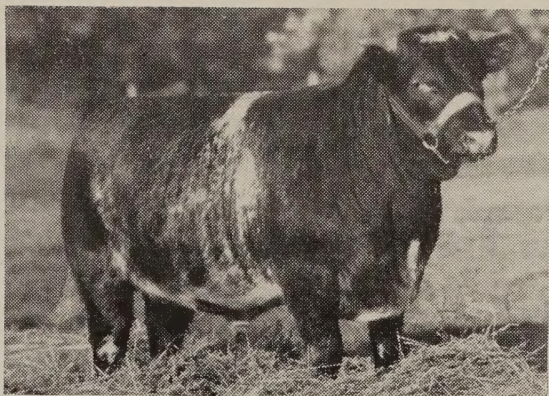

NOTE THIS LIBERAL FEATURE—The three members of the firm of Jos. Miller's Sons all agree to truck cattle purchased in this sale back as far as their own farms. Oakdale Farms (Walter Miller) is located at Granger, Missouri; Miller Farms (Palmer Miller) is located at Ainsworth, Iowa; and Lo-Mar Farms (Wesley and Alfred Miller) is located at Sharpsburg, Illinois. **REMEMBER**—Free delivery to any of these farms where you can pick up your purchases at your convenience.

PLEASE NOTE—The sale of Mathers Bros., Mason City, Illinois, will occur on November 22d, the day prior to our sale. The distance is only 90 miles. Why not attend both sales. We will gladly assist in assembling cattle purchased in the two sales.

A WORD FROM THE PRESS

No sale catalog that has been compiled this year contains a stronger group of pedigrees than this one, and you have the assurance of this writer that the individuals in the Miller sale offering are just as good as their pedigrees. The history of the Jos. Miller Son's herd forms an important chapter in the development and the improvement of the breed in this country. All three herds were originally located at Granger, Missouri, where the annual sales became a favored source of supply for top seed stock. In later years, the three herds have been located respectively at Granger, Missouri; Ainsworth, Iowa, and Sharpsburg, Illinois. It is fortunate that the produce of these three great breeding nurseries can be marketed together at such a convenient sale point as Abingdon, Illinois. From all three herds will come the famous Miller blood combinations featuring the finest Cumberland, Avondale, Villager, and Browndale breeding. A wonderful lot of cattle are to be sold. The entire offering will be presented in excellent condition and the type and quality of these cattle will have a widespread beneficial influence on the Shorthorn breed.

—Hal Longley of The Shorthorn World.

SENSATION'S STANMORE 2d

Sensation's Stanmore 2d
2608824

He has been regarded by many competent judges as the best bull ever offered by Oakdale Farms. By reason of breeding and conformation he ranks with the very best. His first two sires are both grand champions and he comes from our best Augusta family. His thickness, fullness of quarters, general smoothness, and outstanding breeding character fit him for a top herd bull role. He was junior champion the only time shown at the 1940 Missouri State Fair.

Grand Sensation 2020731

His type is right; he is deep-flanked, he has a wonderful head; in fact, this fellow lacks nothing necessary to recommend him as a herd bull. His short-leggedness and deep smooth fleshing stamp him as a "good doing kind." This calf will conclude some outstanding breeder's search for a herd bull. Miller Farms have been accredited for both T. B. and Bangs Disease for the past three years.

Royal Grand 2020733

This calf has been a favorite with many visitors. One well known judge recently called him the best balanced calf he had seen this year. Royal Grand has an impressive head and crest, deep full smooth quarters and thickness and depth of heart-girth that round out a near perfect individual. His breeding, as you will see, is faultless. You will agree that he is one of our strongest contenders for top honors. Miller Farms have been accredited for both T. B. and Bangs disease for the past three years.

Grand Lady 2020737

You will join scores of visitors acclaiming this heifer as one of the extreme tops ever to be sold. She is so good that even this grand picture fails to do her justice. She has been entered in the senior heifer calf class at the 1940 International. There have been countless winners of this class that could not compete with this heifer. Her quality, femininity, style, balance, and short-leggedness make her a coveted prize.
